

## Contact

At Babbitt, Johnson, Osborne & Le Clainche, P.A., we have two priorities: winning your case – and winning your respect. We accomplish both through dedication other firms can't match, and expertise opponents can't touch. We know that results are important, but so, too, is the way we achieve them; by partnering with our clients, and representing them aggressively, both in the courtroom and at the settlement table. Our rule is simple: If it's in your interest, it's on our agenda.

With four decades of experience, we know how to provide the highest quality legal representation – and the best possible service – to our family of clients. By selectively choosing the cases we take on, we can ensure that every matter we handle gets the attention, and the resources, it demands – and you deserve. We maximize our efforts so you can maximize your recovery.

If you believe you might have a case – whether it's an injury or wrongful death or business dispute – please call us for a free consultation, or fill out the form below. We will contact you promptly to discuss your matter.
